

### Scenario 1: Successful Reimbursement Request

**\*\*Given\*\*** the pharmacy has a valid dispense for a patient with an insurance policy  
**\*\*And\*\*** the reimbursement request statement has been prepared  
**\*\*When\*\*** the first day of the month arrives  
**\*\*And\*\*** the reimbursement request statement is dispatched to the insurance company  
**\*\*Then\*\*** the insurance company processes the statement successfully  
**\*\*And\*\*** approves the reimbursement request  
**\*\*And\*\*** pays the pharmacy for the dispense

### Scenario 2: Partial Rejection of Reimbursement Request

**\*\*Given\*\*** the pharmacy has a valid dispense for a patient with an insurance policy  
**\*\*And\*\*** the reimbursement request statement has been prepared  
**\*\*When\*\*** the first day of the month arrives  
**\*\*And\*\*** the reimbursement request statement is dispatched to the insurance company  
**\*\*And\*\*** the insurance company processes the statement  
**\*\*And\*\*** identifies some items that need to be partially rejected based on pricing policies  
**\*\*Then\*\*** the insurance company approves the reimbursement request for the remaining items  
**\*\*And\*\*** pays the pharmacy for the approved items  
**\*\*And\*\*** provides feedback on the partially rejected items

### Scenario 3: Complete Rejection of Reimbursement Request

**\*\*Given\*\*** the pharmacy has a valid dispense for a patient with an insurance policy  
**\*\*And\*\*** the reimbursement request statement has been prepared  
**\*\*When\*\*** the first day of the month arrives  
**\*\*And\*\*** the reimbursement request statement is dispatched to the insurance company  
**\*\*And\*\*** the insurance company processes the statement  
**\*\*And\*\*** identifies that the request should be fully rejected for reasons other than pricing policies  
**\*\*Then\*\*** the insurance company rejects the entire reimbursement request  
**\*\*And\*\*** the pharmacy receives notification of the complete rejection  
**\*\*And\*\*** the pharmacy can choose to resubmit the rejected items with a new code in the next reimbursement request statement  
**\*\*Or\*\*** pass them to the accounting department as costs
